A beginner's guide to classical music (self.classicalmusic) submitted 7 years ago by Feckless. A request to help a newbie (me). I always wanted to get into classical music, but where should one start? I see this partly as education. What does one have to know? What are the must haves? What do I have to be looking for in terms of who is playing the music (certain orchestras). Currently I am ...

Classical era music: a beginner's guide As the Classical period took over in the mid-1700s and the Baroque era was winding down, a few defining characteristics emerged. Where the music of the Baroque period was ordered, efficient and complex, the new sound of the classical period tended to focus on simplifying things a little bit, but also making them bigger.

Playing Guitar: A Beginner's Guide Page 9 Tablature and Chord Diagrams Tablature Tablature is a way of expressing music on paper. A page of tablature tells you what notes to play to make the song happen. Standard music notation is another way of communicating songs on paper. Classical musicians usually have to know this kind of notation. We'll stick to the basics and just describe tablature in this section. You can
